

# RITE NOW @ ROP

---

During Spring Break at Meadowlark Academy, our Staff and Student Athletes worked as a team to make cloth masks for all staff and students on campus and to donate to the Primrose Retirement home where we have engaged in community service. We care about not only the safety and wellness of those on site and in our care, but also those in our community. We understand the importance of supporting and giving back, particularly during the difficult and unprecedented times that we're facing.
